# BEACHES ENERGY CARES

Beaches Energy Services recognizes that our customers have many different needs. We offer a wide variety of services to help you and your loved ones including:

- **Medical Support Notification**

Customers who require specialized electric medical equipment may register to be notified if a scheduled service outage is expected to last an extended period of time.

- **Medical Resources during Emergency Situations**

If you are disabled or need evacuation assistance, register with Duval County Emergency Preparedness to ensure you stay safe and sheltered.

- **Florida Relay Communications**

Assistance for hearing and speech-impaired customers.

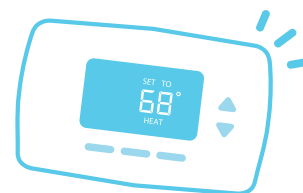

Visit [Beachesenergy.com/special-needs](https://www.beachesenergy.com/special-needs) for a full list of services and how to register.

## \$300 REBATE FOR A/C HEAT PUMP

Receive a \$300 rebate when you install an A/C Heat Pump rated SEER 15 or higher. High efficiency systems with high SEER ratings use less energy, which equals less money spent on your utility bill.

For details on how to receive this rebate and many more, visit [beachesenergy.com](https://www.beachesenergy.com).

We are committed to helping you save energy, lower your bill, and help the environment.

## TIDINGS TIP

To keep saving energy this winter, set your thermostat to 68 degrees. Every degree above 68 can add approximately 5% to your heating cost.

## ELECTRIC PRICE FOR 1,000 KILOWATT-HOURS
