HERE ARE 10 NO-COST WAYS TO GET STARTED:

- 1 Wait for a full load before running your dishwasher and washing machine.
- 2 Use cold water to wash your clothes.
- 3 Clean the lint filter in your dryer after every load.
- 4 During winter season lower thermostat setting by 2 degrees.
- 5 Turn off ceiling fans when you leave the room.
- 6 Replace or clean your air-conditioning filters once a month.
- 7 Unplug electronics when not in use.
- 8 Use sunlight and window shades for a no-cost heating or cooling boost.
- 9 Conserve water by taking quick showers instead of baths.
- 10 Find more energy-saving opportunities and lower your utility costs with a free in-home audit and rebate opportunities from Beaches Energy.
