# THE CARE PROGRAM

Occasionally elderly, disabled or low-income members of our beaches community are simply unable to pay their utility bill because of a sudden or temporary financial crisis. The Beaches Energy Services CARE Program is designed to help until they can sort out their situations.

## Help Your Neighbor

The CARE Program depends on your help to make it work. We encourage our customers to donate a small amount each month to the CARE Program.

It's easy to be a friend and donate. **Complete a sign-up form at [www.beachesenergy.com/care-program](http://www.beachesenergy.com/care-program).** Beaches Energy Services will match all contributions, doubling the impact of your generosity.

If you need payment assistance please contact customer service for additional information at (904) 247-6241.
