Simplify your Life with Automatic Payments

Have one less thing to worry about each month and never miss a payment! Automatic Payment is the safe, simple and FREE way to pay your utility bill on time, every time.

How it Works

- 1 You will receive your monthly statement 20 days before your utility bill due date.
- 2 On your bill's due date, the amount listed on your statement will be deducted from your checking account – just like a written check.
- 3 You always know how much will be debited from your account and when – no surprises, no extra fees!

HELP PROTECT OUR SEA TURTLES #CLEANDARKFLAT IS BACK!

At Beaches Energy, we work with the Beaches Sea Turtle Patrol (BSTP) and the City of Jacksonville Beach to spread the word about turtle safety and help enforce the Patrol's recommendations.

This year, in addition to our usual efforts we're partnering with local coffee shops. Help protect sea turtles by purchasing a #CleanDarkFlat coffee mug!

- 1 Ask for a Clean Dark Flat at your favorite participating local coffee shop.
- 2 For a \$10 donation, receive a 2021 #CleanDarkFlat coffee mug.
- 3 All proceeds will go to the Beaches Sea Turtle Patrol to help protect our local turtles.

Visit www.BeachesEnergy.com/cleandarkflat to learn more and find participating shops.
