START SAVING WITH A FREE IN-HOME OR ONLINE ENERGY AUDIT

Making our homes as energy efficient as possible helps save money and conserve energy, therefore helping the planet!

In-Home Energy Audit

Beaches Energy Services offers a free home energy audit to all residential customers.

Our conservation specialist will check your home's insulation, water heating, HVAC system and overall home efficiency. Then, they'll provide customized recommendations and cost-effective energy-saving measures for your home & lifestyle.

Call [904-247-6241](tel:904-247-6241) to schedule your appointment.

Online Energy Audit

In just 5 minutes, answer questions about your home's features and daily usage for a breakdown of your energy costs. With a custom energy usage report, you can identify new ways to make your home more efficient.

Complete your free online audit today at BeachesEnergy.com/MyEnergyPlanner.

HURRICANE TIP

If you are disabled or have special needs and you will need assistance with evacuation or sheltering in the event of a hurricane, please pre-register at www.jaxready.com/Preparedness/Special-Medical-Needs-Registration and in St. Johns County visit www.sjcemergencymanagement.com/pdf/asstform.pdf.

PROTECT YOUR HOME FROM ENERGY SURGES

A **meter-based surge arrester** – installed by Beaches Energy Services – stops the surge at the meter, before it enters your home. It handles surges greater than plug-in suppressors and provides customers with extra protection.

Why Install a Surge Arrester?

- Computers and media equipment can be super-sensitive to surges.
- Lightning surges can destroy expensive motorized appliances like refrigerators and air conditioning.

For a small residential monthly charge of \$3.50, customers receive free installation, maintenance, and a limited damage warranty.

Electric services exceeding 200 AMPS, 12 S meters, or meters contained in a meter bank (multiple meters, for example condo or apartment complexes) are not eligible for surge suppression.

To apply for meter-based surge arrester installation, call [904-247-6241](tel:904-247-6241) or email customerservice@beachesenergy.com.

UPDATE YOUR CONTACT INFO

Now is a great time to review your contact information on file with Beaches Energy. New phone number or email? Let us know by emailing customerservice@beachesenergy.com or visiting our office with your new information.
