Show You CARE

In this community, we take care of each other. The Beaches Energy CARE Program provides assistance to customers who are unable to pay their utility bill due to a financial hardship.

It's funded by neighbors like you, with **100% donations matched** by Beaches Energy to double the impact of your generosity.

In 2020, the CARE program provided \$106,953 in financial assistance to help 443 Beaches Energy customers keep their electricity on.
