TRICKS TO SIMPLIFY YOUR LIFE WITH BEACHES ENERGY

From conference calls to carpool lines, life can be stressful. But managing your utility services shouldn't be. At Beaches Energy, we have all the tools you need to handle your bill, save money and navigate any problems with ease, including:

Automatic Payments – Never worry about missing a due date again. Simply sign up at [BeachesEnergy.com](https://www.beachesenergy.com) and have your monthly bill automatically deducted from your account.

E-bill – Reduce clutter by getting your monthly bill delivered straight to your email inbox. Plus, keep paying however you like – by mail, by phone or in person at our office in Jacksonville Beach.

Report a Streetlight Problem – See a broken or damaged streetlight? No problem! Visit [BeachesEnergy.com](https://www.beachesenergy.com) to report the issue, and our team will respond as soon as possible.

Rebates and Energy Savings – We make it easy to conserve energy and spend less on home upgrades and monthly expenses. Visit [BeachesEnergy.com/SaveEnergy](https://www.beachesenergy.com/SaveEnergy) to see how you can save.

Superior Service – When you have a problem, just give us a call. You'll speak with a customer service representative quickly every time.

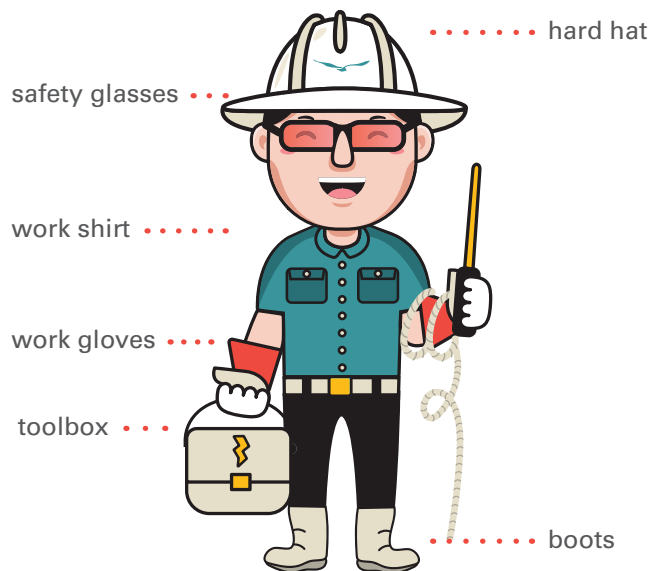

- Customer Service Line: 904-247-6241
Monday-Friday 8am - 5pm
- Prefer to email? Reach out to customerservice@beachesenergy.com.

DON'T GET SPOOKED BY SCAMS

Utility customers are continuing to receive scam phone calls that state their power is being turned off for a past due bill and demanding the customer to make a payment immediately. Scammers are now even using popular money-sharing apps including Zelle and CashApp. Don't fall for it—learn more about how to spot a utility scam at [BeachesEnergy.com/Scams](https://www.beachesenergy.com/Scams).

DIY HALLOWEEN COSTUME: ELECTRICAL LINEWORKER

Halloween is right around the corner! If you're looking for a fun DIY costume that's perfect for adults and kids alike, dressing up as an electrical lineworker is a quick and easy one. Here's what you'll need:

To make it more realistic, consider adding a hard hat, safety strap (you can use an old belt), rope and DIY climbers made from black cloth and duct tape!
