SAVE WITH **ECO-FRIENDLY REBATES**

Looking for a simple way to celebrate Earth Day?
It's all about savings!

Save energy, lower your utility bill, and get up to \$1,250 back when you make qualifying energy-efficiency upgrades to your home. Qualifying upgrades include:

A/C Heat Pumps

Insulation Upgrades

Window Film and Solar Screens

Solar Water and Heat Pump Water Heaters

Your home improvement projects qualify for rebates up to 90 days after installation.

SIGNING UP IS AS EASY AS 1-2-3!

1. Read and complete the rebate form(s)
2. Gather proof of purchase invoices and other required documentation
3. Submit documents in person, by mail or by scanning and emailing to customerservice@beachesenergy.com

Visit BeachesEnergy.com/Rebates to view the list of qualifying products and rebate program guidelines!

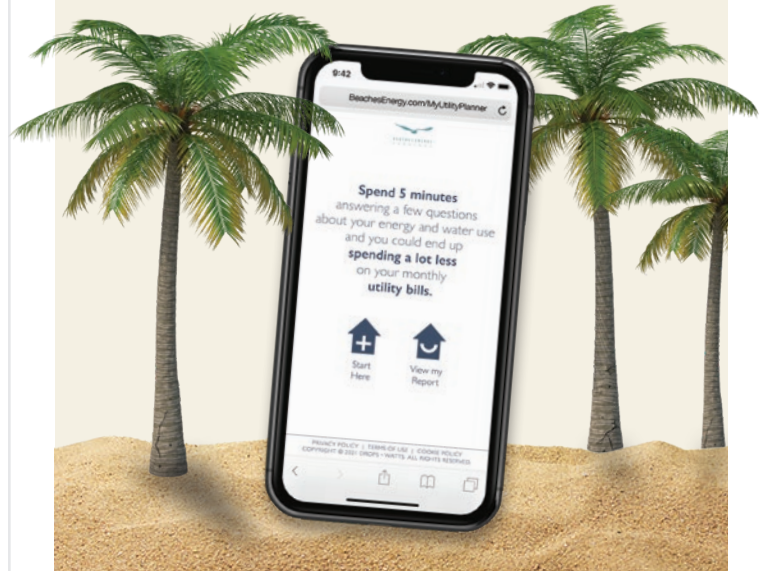

MAKING CENTS WITH MY UTILITY PLANNER
