

# AUTOMATIC PAYMENT SERVICE APPLICATION

# Simplify your life.

BEACHES | ENERGY  
SERVICES

Automatic Payment is the safe, simple and FREE way to pay your utility bill on time, every time.

## HERE'S HOW IT WORKS

- 1 You will receive your monthly statement 20 days before your utility bill due date.
- 2 On your bill's due date, the amount listed on your statement will be deducted from your checking account – just like a written check.
- 3 You always know how much will be debited from your account and when – no surprises, no extra fees!

Bank Debiting Authority is to remain in full force and effect until Beaches Energy Services has received written notification from me of the termination at such time and in such manner as to provide Beaches Energy Services and my financial institution a reasonable opportunity to terminate the auto-pay service. I hereby authorize Beaches Energy Services to initiate debit entries to my account at my financial institution.

Only customers using a financial institution within the United States are eligible for the Automatic Payment Service. If Beaches Energy Services receives notice that a customer has insufficient funds to cover a debit payment, the insufficient funds and penalty regulations of Beaches Energy Services will apply. If the customer has more than one insufficient funds event in a 12-month period, the customer will no longer be eligible for this service.
